Notes for SARAH WILKES:

The death certificate for Hiram Preston Holmes lists his parents as John & Sarah Wilkes Holmes. Sarah's death certificate lists the birth and death dates noted here however there are two listings for her on the Gambrell's Harnett County cemeteries site from Bethsaida Primitive Baptist Church Cemetery. The second listing has a much later birth year (1886) but the correct death date and lists her as the wife of M. Preston Holmes. There is no listing for M. Preston Holmes at the cemetery but both John and Amelia Holmes are listed there and Amelia's stone says she was the wife of John Holmes.

The 1900 Federal Census lists both Sarah and H. Preston Wilkes as lodgers in the household of John & Melia Holmes. Sarah's age coincides with the birth date listed here which discounts the second listing for Bethsaida. Sarah is listed as single, not widowed. The census shows that no children were born to Melia Holmes and that she and John had been married for 30 years.

The 1910 Federal Census shows both Sarah and Preston Wilkes still living in the household of John & Melia Holmes. Sarah is listed as a servant and her marital status is still listed as single. Preston is listed as a boarder and his occupation is listed as a farmer.

The 1920 Federal Census shows Preston Holmes married to Lou Emma Stewart. They were married in 1915. The question is, When did Preston go from being Preston Wilkes to being Preston Holmes? His marriage certificate lists him as Holmes as well. The 1920 Census also shows John & Melia Holmes still in the same household however, Sarah Wilkes is not listed there. She is listed as living in Preston's household and is shown as his mother. Her marital status is now listed as widowed.

Melia Holmes died on 9/18/1920. John married Sarah Wilkes in Harnett County on 12/22/1920.

The 1930 Federal Census shows John & Sarah living together in Harnett County. John is 89 and Sarah is 70 years old. The Census lists Sarah's age at her first marriage as 60. John's age at his first marriage is listed as 23.

John died on 7/29/1930. His death certificate lists him as married to Sarah Holmes. Preston Holmes was the informant. Sarah died on 7/13/1951. Her death certificate lists her as widowed. Again, Preston Holmes was the informant.

From Jill Sturgis:

My grandfather (Dixie Cobb) moved his family to this area in the late 40's in search of better work/life. He went to work for Cannon Mills in the construction department maintaining and building homes in the Kannapolis area. His brother Jarvis moved here as well. Brother Harvey was here for some time, and was somewhat of a "wild and crazy" fellow. I remember my

grandmother (Alma) telling me the story of when they first came here and "Papa" took her to see the house he had bought for them. She was "horrified", she would say it did not have windows, the floors had big cracks in them and the chickens were in the house. After a lot of work, they had a beautiful 2-story home on a hill. Unfortunately, this home burned in the mid 50's, along with all family photos, mementos etc. The family then moved across the road, where most still live today, including myself. Farming was still the biggest part of their life here as it was in the eastern part of the state, and I remember well being a farmer's helper or probably hindrance as I was growing up.

Just a little about 'em..

Jill

**PATROL OFFICIALS IDENTIFY VICTIM OF DEADLY CRASH RUDY STEVE HOLLAND DIES TUESDAY AFTER A CAR COLLIDES WITH HIS MOTORCYCLE.**

Highway Patrol officials have identified the man killed Tuesday after his motorcycle collided with a car about five miles south of Asheboro. Rudy Steve Holland, 47, of 440 U.S. 74 Business in Bostic, was traveling south on N.C. 49 at about 4 p.m. when a car driven by Sidney Raeford McNeill, 48, of 7646 Ferguson Road, Liberty, crossed the center line and hit him. Holland died a short while later on the way to the hospital, authorities said.

Highway Patrol officials did not release Holland's name Tuesday because his family had not been notified of his death. Holland was riding a 1998 Harley-Davidson motorcycle. McNeill was traveling north in a Ford.

"The guy in the Ford went left of center and hit the motorcycle in the side," said Highway Patrol Sgt. W.K. Smith.

Smith said McNeill had been drinking near the time of the accident but was not impaired. Charges are pending against McNeill.

"It was a straight stretch of highway," Smith said. "Mr. McNeill just traveled across the center line."

Holland was driving his motorcycle at the speed limit - 55 mph - at the time of the wreck, Smith said. He also was wearing a helmet. McNeill was traveling 60 mph at the time of the accident. He did not sustain any serious injuries. Smith said Holland died from blood loss. Holland's leg was amputated during the wreck.
